Tours

Grupo Obelix has put together a few suggested programmes for participants and accompanying persons during the Assembly.

- City Tours
- Fiesta Gaucha La Alameda (a full day excursion to the country side to see the gaucho way of life)
- Soccer Games
- Tango Shows
- Temaiken (a zoo)
- Tren de la Costa, Tigre and Parana's delta (a journey along the River Plate coast, one of our most traditional and beautiful areas)
- Dinners with show
- Shopping tours

Apart from these options, there are museums, theaters and other places worth visiting in Buenos Aires. If you are interested, please contact Mr. Federico Bottinelli or Mr. Edgardo Camen at Grupo Obelix directly. They will be happy to help you with the arrangements and will advise you on the cost for each programme.

Please note, they require advance notice to make necessary arrangements, and would like those interested in taking any of these tours to contact them before going to Buenos Aires. At the venue, you approach them at the travel desk outside the Gran Panamericano Salon.
